

Technology-Based Clinical Supervision

Learning Activity Week 1

Do a Little Investigating!

- 1) Find and Review the Regulations/Statutes in your state as they relate to:**
 - a) Technology Assisted Clinical Supervision (both regular times and emergency)
 - b) Behavioral Health Video-Counseling - (both regular times and emergency)
 - c) Technology assisted communication

- 2) Are there Standards around these areas in your discipline?**

- 3) How does your discipline guide you, or does it?**

- 4) Consider the following:**
 - a) Are they what you thought?
 - b) Could there be some implications related to technology that you had not considered?
 - c) Is there room for improvement?
 - d) What do you need to do to comply or advocate for change?
 - e) What is the next step?

Be prepared to discuss in our next session.
