*Let's talk about last
week's Learning
Activity !*

National associations link technology-based counseling and technology-based clinical supervision

And...

social media and **ethics** with technology-based clinical supervision issues

Seek
legal advice

BEFORE delivering services
and purchasing equipment

TBCS State Regulation Issues

Must use real-time electronic methods that allow for visual and audio interaction between the supervisor and supervisee

Include a plan to ensure accessibility of the supervisor to the supervisee despite the physical distance between their offices

Inform a supervisee's client or patient and employer regarding the supervisee's use of remote supervision

Physically visit the location where the supervisee practices on at least a quarterly basis

Technology-Based Clinical Supervision GUIDELINES

Lights, Camera, . . . Action !!

TBCS Presentations- Group Presentations

Please write down
One thing that stands
out for you today!

*Sneak Peek at next
week*

FINISH UP GROUP
PRESENTATIONS
AND
START INDIVIDUAL
PRESENTATIONS!

Questions

And to all of you ...

.... and see you all next week !!
